CREMA כ'ד  
R  
IL MS

# Huntingdon

Client: Huntingdon Town Council  
Contractor: Kier  
Location: Huntingdon, Cambridgeshire  
Area: £7.1m  
Value: Completed 2021  
Year:

## Brief

- Chapel space that is flexible for varied size gatherings
- Accessible site for those with limited mobility & visually impaired
- Sustainable design
- Administration facilities
- Function rooms which can be used individually or joined
- Landscape and integration of water features

## Achievements

1st in the UK to have fully electric cremators  
Privacy for mourners  
Unique circular chapel  
Retained and enhanced existing woodlands and landscape  
Excess heat is reused to neighbouring plant nursery  
(owned and run by client)

# Hambleton

Client: Hambleton Borough Council  
Contractor: Willmott Dixon  
Location: Thirsk, Yorkshire  
Area: £7m  
Value: Completed 2022  
Year:

## Brief

- New crematorium facility to provide a much need service to the surrounding area.
- Design to respond to the site and local vernacular and centre around a small collection of barn structures within the rural landscape.
- The principle chapel space is adjoined by administration and cremation buildings which in turn are linked to a separate function building via the covered flower court.
- Function building to provide space for private receptions, in addition to a public café

## Achievements

Working with local supplier to design bespoke furniture  
Very high standard detailing throughout the construction phase  
Cohesive design with key concepts retained  
Striking double height volume chapel, bathed in natural daylight  
High quality audio environment with carefully selected acoustic cladding
